

Open Inspiration™, 10 April 2013

Tech Funding Bazaar @ Scion DTU

There is more money out there than you think!

Join us for this Open Inspiration and get key insight on all the different funding opportunities that exist for your company or venture project.

Wednesday, 10 April 2013

from 3-5pm

Scion DTU, Auditoriet

Diplomvej 372, 2800 Kgs. Lyngby

Most tech companies rely on external funding to support their growth and development, and despite the crisis there is more money out there than you think and several different ways to get them!

At the 2013 Tech Funding Bazaar at Scion DTU you will get a complete overview of all the different ways to get funding and learn about the best fit for your company or project.

Seven of our partners in Lyngby presents their strengths and focus areas. After the pitch, you will be able to learn more about the partners and opportunities that have caught your interest. We will have two rounds of presentations and plenty of time for more details and networking.
